What is GoDrive?

"GoDrive: Unleash Your Journey" is a catchy and descriptive slogan that captures the essence of the car rental experience in Sri Lanka. It perfectly reflects the excitement and freedom of exploring the beautiful country!

What is GoDrive?

"GoDrive: Unleash Your Journey" is a catchy and descriptive slogan that captures the essence of the car rental experience in Sri Lanka. It perfectly reflects the excitement and freedom of exploring the beautiful country!

Introduction to our website

Our initiative, "GoDrive," is an innovative endeavour that aims to transform how people access and use cars. GoDrive aims to serve a variety of customer demands, both inside and beyond the university community, by emphasising rental choices.

The process of designing, creating, and launching GoDrive as a full platform for vehicle rentals is summarised below. It examines the state of the market, points out major obstacles, outlines our strategy and displays the technological powerhouse that underpins the platform's design. It also explores the GoDrive user experience, operational dynamics, and future prospects that are envisaged.

With creative ideation and teamwork, GoDrive aims to reinvent the mobility experience by providing our consumers with affordability, dependability, and convenience. We aim to negotiate the complexities of contemporary travel options and clear the path for a vibrant mobility future.

Project Description

Through our platform we aim to provide an authentic and reliable vehicle rental experience for our customers. This platform allows our guests to rent vehicles with a hassle-free process which enables them to explore the beauty of our country with freedom.

We focus on providing an unparalleled travel experience for our guests by providing vehicles of best condition that will cater to their needs and ensure a comfortable journey. Our service also provides additional perks such as providing a variety of coverage options for best protection, flexible subscription facilities etc..

We have made it possible for our guests to select their vehicle for rent out of a diverse selection ranging from high-end to low-luxury vehicles. Most importantly, it allows our guests to rent vehicles from anywhere around the world by simply heading over to our online rental reservation system.

Key Functionalities

- **Vehicle Determination and Booking:**

Customers can browse our vehicles, sifting by car sort, highlights, and capacity to discover them culminate fit. A user-friendly calendar permits for simple determination of rental dates and duration. Secure online booking framework encourages consistent reservation affirmation.

- **Client Account Management:**

Create a client account to spare individual subtle elements and oversee past bookings. Access online articulations and track up and coming rentals.

- **Vehicle Administration (Framework Administrator):**

Add unused vehicles to the accounting subtle elements like demonstrate, highlights, and images. Update existing vehicle data to preserve accuracy. Deactivate inaccessible vehicles for booking purposes.

- **Stock Administration (Framework Administrator):**

Monitor real-time vehicle accessibility to guarantee effective booking management.

Set estimating for distinctive vehicle categories and rental durations.

Manage uncommon offers and advancements to pull in clients.

- **Secure Transactions:**

Our platform uses secure payment methods for safe and easy online transactions.

- **User Roles:**

Client: Centers on looking, selecting, and booking rental vehicles. Oversees their account data and rental history.

- **System Director:**

Supervises the platform's usefulness. Oversees vehicle subtle elements, stock, estimating, and client accounts.

- **CRUD Operations:**

GoDrive utilizes CRUD (Create, Read, Update, Delete) operations to guarantee proficient information management:

- Create: Include modern vehicles to make client accounts, and set up rental bookings.
- Read: Clients can see vehicle points of interest and estimating. Framework directors can get booking data and client accounts.
- Update: Adjust vehicle data, upgrade estimating and advancements, and permit client account edits.
- Delete: Framework chairmen can deactivate inaccessible vehicles or expel obsolete information.

GoDrive enables a consistent car rental involvement in Sri Lanka. Let us assist you unleash your travel!

Proposal Design

The screenshot shows the GoDrive mobile app's car rental search screen. At the top, there are fields for 'Pick-up & return' (with a placeholder 'Airport, city or address'), 'Different return location', 'Pick-up date' (May 28, 12:30 PM), 'Return date' (Jun 01, 8:30 AM), and a large orange 'Show cars' button. Below this is a banner with a 4.8 star rating from 6 reviews in Sri Lanka. The main content area is titled 'PLACES TO START YOUR JOURNEY IN SRI LANKA' and features four scenic images: a sunset over a beach, a person walking on a rocky path, a tropical landscape, and a waterfall. There are also sections for 'More flexibility' (change or cancel bookings at no extra cost) and 'Better cars' (discover and drive the largest selection of new, premium rental cars).

This screenshot shows the 'Customer reviews & feedback' section of the GoDrive app. It displays a 4.8 rating based on 6 reviews. Below the rating, there are three cards: 'Vehicle handover' (5.0★), 'The vehicle' (5.0★), and 'Vehicle return' (5.0★). A section titled 'GOOD TO KNOW WHEN RENTING IN SRI LANKA' provides tips on minimum age, modifying reservations, and required documents. It also includes a note about long-term rentals and protection plans.

The screenshot shows the 'Discover Sri Lanka' section of the GoDrive website. It features a large image of a person walking on a beach, a button labeled 'DISCOVER SRI LANKA', and a heading 'Enjoy a road trip through paradise with car rental in Sri Lanka'. Below this, there is a 'Tips for driving in Sri Lanka' section with a 'Read more' link. Another section discusses the benefits of renting a car in Sri Lanka, mentioning the freedom to visit anywhere and the availability of numerous upgrades. There is also a 'Read more' link for this section.

This screenshot shows the 'Our Top Branches in Sri Lanka' section of the GoDrive website. It lists three branches: Katurayake (B31, Dogampitiya, Katunayaka, Sri Lanka, 0113456667), Kandy (B14, Mahawela, Kandy, Sri Lanka, 0117469623), and Jaffna (B7, Mahananneriya, Jaffna, Sri Lanka, 0119432660). Each branch entry includes its address and phone number.

The screenshot shows the 'Explore Our Car Rental Locations in Sri Lanka' section of the GoDrive website. It features a large image of boats on the water, a heading 'EXPLORE OUR CAR RENTAL LOCATIONS IN SRI LANKA', and a sub-section 'With GoDrive, discover Sri Lanka!'. It also includes links for 'All Locations' and 'Airport branches' (Colombo). The footer contains links for 'Help', 'Rental Information', 'SIXT for business', 'Travel agencies', 'SIXT partners', 'SIXT News', 'Imprint & privacy', 'Do not sell my personal information', 'Terms & conditions', and 'Cookie settings'.

This screenshot shows the 'Why choose a GoDrive+ Car Subscription?' section of the GoDrive website. It highlights three benefits: 'No purchasing costs' (with icons for a briefcase and a calendar), 'Stay flexible' (with a calendar icon), and 'Fully customizable' (with a smartphone icon). Each benefit includes a short description and a note about cancellation policies.
